

## **Diversity / Cultural Competency Suggestion Form**

Sunpath, LLC as an organization, operationally defines "Diversity" as valued differences based on ethnicity, age, socio-economic status, religion, language, national origin, political belief, creed, race, color, sex, height, weight, geographic location, disability, gender identity, marital status, and veteran status; and "Cultural Competency" as a fluid, ongoing life-long process that involves the individuals within the network's ability to think, feel, and act in ways that acknowledge, respect and build upon ethnic, socio-cultural, and linguistic diversity allowing individuals to work effectively cross-culturally.

As an agency we are committed to growing and learning. We want feedback from you on how we can improve. If you have suggestions on how we can improve cultural competency please let us know how and where we need to grow and change.
